On June 29th, Mary Beth Donaldson, 2023-2024 President of Rotary Club of Thomsville, gave her opening remarks to kick off the new Rotary year. "I stand here before you now as the 103rd President of the Rotary Club of Thomsville, I look around the room today at the faces of past leadership and think about the ones who have passed on, I am humbled and honored that this club has chosen me for this role. I think you will find our upcoming year will be full of exciting projects, engaging community service as we live the Rotary International theme for this year, "Create Hope in the World." Big Impact: FRESH FOR YOU - Free Produce Market

Rotary Club of Thomsville made a BIG IMPACT on our community at our "FRESH FOR YOU - Free Produce Market" in partnership with Second Harvest of South Georgia and Marguerite Neil Williams Boys & Girls Clubs on Saturday, July 22nd. The club's efforts served 253 households in the Thomsville-Thomson County community this past weekend!

In 2021, during our club's 100th year, we embarked on a mission to discover the most critical needs in our community. The results showed that disaster relief, heart issues, and other health concerns affected a higher percentage of our residents compared to other parts of the country. But we didn't stop there! We saw an opportunity to make a lasting impact on the quality of life for our neighbors by addressing this issue head-on. Our initiative to provide fresh, healthy foods to our underserved community members has been incredibly successful. Each month, our "Fresh For You - Free Produce Market" offers a diverse selection of nutritious fruits, vegetables, proteins, and other healthy goods.

Thanks to your unwavering support, an average of 225 households, representing approximately 900 individuals, have benefited from this wonderful program. In its very first year, the market proudly served over 2,290 households, making a difference in the lives of about 9,160 individuals in total! Join us in celebrating the power of community and the joy of giving back.

Together, we're building a healthier, happier future for Thomsville and Thomson County, one fresh produce at a time!

Rotary | United Way Golf Classic Planning in Action

For several years, the Caterpillar Corporation in Thomsville sponsored a golf tournament to raise money for the United Way of Thomas County. Unfortunately, Caterpillar closed their doors in 2016 and their manufacturing was relocated from Thomas County's community.

Rotarian Scooter Grubbs came to the Board and asked if the club would consider carrying on this tradition since the United Way of Thomas County supports over 18 organizations in the community. The Board approved it and on August 26, 2017, Rotary Club of Thomsville and the United Way of Thomas County held its first annual Rotary Golf Classic to support the United Way.

Since 2017, Rotary Club of Thomsville has sponsored the annual Rotary / United Way Golf Classic and this year is no exception. Earlier this month, Rotarians gathered to discuss and strategize plans for this year's golf tournament while supporting a local restaurant, Sweet Green Dairy Chinese Shop.

SAVE THE DATE: Rotary Golf Classic 2023 Benefiting The United Way of Thomas County will be held on August 26th at Country Oaks Golf Course!
