Andy Jones - "Can you not see?"

Join us for a film about the integration of the high schools in Thomas County. It is a documentary that features the football coaches and others that helped manage the atmosphere around Thomasville. It highlights all the positives of conscious community involvement while avoiding the obvious conflicts of the forced integration. Several of the participants will be available to answer questions. It is a very positive and uplifting story. Andy Jones is one of the featured speakers in the film.
