Special Thanks to our Speaker from Last Week - Dr. Chip Bragg

He shared information from his fifth book, *Patriots in Exile: Charleston Rebels in St. Augustine* during the American Revolution, which will be released in June of this year. (#5) about the Revolutionary Army. Chip's lifelong passion for American history has resulted in the publication of more than fifty articles and four books—two about the Civil War and two about the Revolutionary War. Dear Rotary Club of Thomasville,

I am Jorium Jones, a sophomore majoring in Philosophy, Political Science and Economics (PPE), at Mercer University in Macon, Ga. I attended the Scholars Academy in high school and was awarded the Thomasville Rotary Club Scholarship in 2018. I am writing this letter as a thank you and to provide an update to the club of my academic progress thus far.

As mentioned above, I am a sophomore based on my high school graduation year of 2018. However, based on credit hours, I am academically a junior. I have accomplished this by taking summer courses in 2019 and will be taking summer courses again this summer. Per my advisor, I will be an academic senior at the beginning of the fall semester and will be eligible to graduate in Spring 2021; a full year early of my original graduation date of May 2022. I also plan to attend Mercer's School of Law after graduation.

So far, I have been named to the Dean's List twice and was inducted into the Phi Eta Sigma National Honor Society at Mercer. My intentions behind this thank you is to thank the club/foundation for investing into and continuing my education, as well as to show how your leap of faith has been put to good use and will hopefully have lasting success.

-Good Thoughts,
Jorium Jones

Invite from Andre Marria for the National Presentation Teen Pregnancy Prevention Initiative

The Boys and Girls Club Youth Leadership Council is participating in the close out Office of Population Affairs National Expo next **Wednesday, May 27th at 9:00 am on ZOOM.**

This is a National Presentation Teen Pregnancy Prevention Initative and only 50 programs are being showcased. We were selected and our Rotary Club will be represented by three past presidents; Jeff Zoller, Teri White and me due to our clubs' five year commitment to the Youth Leaderdhip Council. I believe it was first funded during Scott's year.

We were asked to participate because of our partnership and our support of the Morehouse initiative. I hope you will encourage Rotarians to support our teens as they share what they have learned over the past five years
