GRSP Awards, 2021-22 Student Karoline Petersen

Please join us in welcoming our 2021-2022 Georgia Rotary Student Program, student Karoline Gadegaard Petersen from Køge, Denmark. Karoline is the 91st GRSP student sponsored by the Rotary Club of Thomasville. This year (Fall of 2021-2022), GRSP has a class of 40 from 16 countries, attending 23 different Georgia colleges and universities. Karoline is attending Valdosta State University, and Jill and F. Wilson Carraway III serve as her host parents. She comes from a family of six and has moved a lot. Karoline also lived in Sweden for a couple of years, and for eight years in Dubai, United Arab Emirates. She describes growing up in a country so different from the Scandinavian culture as interesting and instructive. Karoline was involved in Debate Club and Model of the United Nations at her high school. Both of these clubs are spoken in English, which assists her in being able to communicate well in English. She is also fluent in Swedish. This semester she has classes in International Business, Business Administration, Economics, and Sociology. She will share a bit about her

What you missed last week!!

Thomasville is full of history, amazing people, rich history and culture. We have been blessed to have so may gifted and talented people here in Thomasville, that connects us in more ways than one. The love for this city by the citizen of this community is something special. Dr. Braggs shared another aspect of the history of our community through telling the story of Archibold Hospital. The dedication and passion of so many for this city is one of the unique caviar of the glue that brings us together.
