Jennifer Green, Executive Director of Halcyon Home

This week, our guest speaker will be Jennifer Green, executive director of Halcyon Home. A Thomasville native, Jennifer has a bachelor of social work from Thomas University and a master's degree in social work from Valdosta State University. She is a licensed social worker and has been executive director of Halcyon Home since October 2023.

She will provide an update about the facility, which provides a safe temporary shelter for women and their children who are victims of domestic violence. Halcyon Home not only provides shelter, but it also provides counselors, advocates, legal experts, and volunteers to provide care and support.
