Survey

Your input needed!

As we look toward the next Rotary year, we want to ensure our club's energy and resources are focused *where they matter most – both for our community and for you.*

Our club supports more than 20 different service projects. To make sure we aren't spread too thin and that we're still tackling the most relevant needs, we are conducting a brief **Spring 2026 Member Survey**.

Your feedback will help the board decide:

- Which projects should be expanded because of their high impact?
- Which projects should we evolve to fit our current membership better?
- Which projects (if any) should be retired to make room for fresh, new initiatives?

We are also asking for your input in our operations, membership,

Fun Facts

In anticipation for next year's programs under President Joe Tarver, the incoming Program Committee would like to add what we hope will be an entertaining element called ***"Name That Rotarian."*** During this part of the programs, our Club Members can attempt to guess the identities of other Members by seeing early photos along with some fun facts about them.

We are asking everyone to participate by providing any of the following: baby photos, elementary or high school photos, military photos, etc., as well as the **completed questionnaire**.

Please know we are preparing for next year and attempting to respond to some of the things we are hearing you would like to see in programming.

Please forward all photos to Anna Lee either in person or via email at ansav123@msn.com.
