Next Week's Program

Be the Voice that stops Bullying!

Over **13 million** kids will be bullied this year, making it **the most common form of violence** experienced by young people in the nation. Bullying stops in less than **10 seconds when someone intervenes** on behalf of the victim. 90% of children *DO NOT* like seeing someone bullied, yet **less than 20%** try to stop it ...because they **don’t know what to do**. Our program helps students find their **VOICE** and **speak up** in situations that involve bullying.
